stea

## Songs

### **This is the way**

This is the way we go to school x3,  
So early in the morning.  
This is the way we carry our bagx3,  
So early in the morning.  
This is the way we sit on the chair,  
When we are in the classroom.  
This is the way we read our book x3  
When we are in the classroom.

This is the way we colour our workx3,  
When we are in the classroom.  
This is the way we cut, cut, cutx3,  
When we are in the classroom.  
This is the way we stick with gluex3,  
When we are in the classroom.  
This is the way we jump and playx3,  
When we are in the classroom.

### **In on under song**

Where's the book?  
Where is it, where is it?  
In the bag, in the bag.  
Where's the pen?  
Where is it, where is it?

On the book, on the book.  
Where's the glue?  
Where is it, where is it?  
Under the chair, under the chair.  
In, on, and under.

### **The shapes song (Genki English)**

Triangle, circle, diamond, oval.  
Rectangle, heart, square, star!  
Shapes, shapes,  
Lots and lots of shapes!

## **Stories**

David goes to school by David Shannon
