Creepy Crawlies, by Richard Graham

What's that? I don't know.
What's that? I don't know.
What's that? It's a creepy crawly!
What's that? It's a cockroach.
What's that? It's a beetle,
What's that? It's a caterpillar.
What's that? It's a butterfly.
What's this? It's an ant.
What's this? It's a worm,
What's this? It's a dragonfly.
What's this? It's a mosquito
What's that? I don't know.
What's that? I don't know.
What's that? It's a creepy crawly!

Little bird, little bird, fly around,
Up to the sky, down to the ground.
Little bird, little bird, flap your wings.
Open your beak and sing sing sing.
Little bird, little bird, fly to your nest.
Now it is time to have a rest.
