

Summer Online 2020 | Learning Aims – Children 8-10 yo

English courses for Primary Plus

Each day, your child will:

- learn language structures relevant to the weekly topic and will practice them through games
- develop the skills of understanding a text (reading and listening) and those of speaking and writing
- learn songs related to the weekly theme
- make projects using the learned structures
- develop their creativity and confidence.

Depending on the outcome of your child's free level test, they will join our courses either at PP2 or PP3 level.
